Active Uniform Changes – September 2025

Dear Parents and Carers,

We are writing to give clarity on our letter dated 8th July for our school uniform policy.

From September 2025, we will expect all children to come to school wearing our active uniform:

- Children are to continue to come to school in their normal upper body uniform as usual with the option for plain black active wear on their bottom halves (blue polo shirt, navy sweatshirt, cardigan or hoodie).
- Children can wear normal school uniform or active uniform. We appreciate that some parents have already purchased items for September. We are going to have a hybrid of both uniforms in September.
- Girls may wear cycling shorts under skirts or dresses should they wish. However, we will not be permitting the wearing of short lycra or short cycling shorts as part of our active uniform on their own.
- Smart school shoes can be worn, but we feel trainers are more suitable in all weathers as they can be cleaned/washed more easily.

Our PE kit will remain the same as it always has been and children can come to school in their PE kit on their PE days. Their PE kit will continue to consist of:

- Plain or school-logo, white t-shirt
- Plain black shorts or leggings (plain black joggers in winter months). We appreciate that some parents have already purchased navy shorts and this is also acceptable.
- Plain or school-logo, navy-blue sweatshirt or PE hoodie

We appreciate your support in making our school an environment where every child can move, play and learn freely. If you have any questions about the new uniform expectations, please don't hesitate to get in touch with us.

Thank you for your understanding and continued cooperation.

Yours sincerely,
