The training is designed to give pupils vital road safety skills as they approach the age where they may be starting to make independent journeys, whether to and from school or elsewhere. This will include a classroom workshop and then a supervised session outdoors to put this into practice. At the end of the training, children will receive a certificate and a Get Ready for the Road booklet.

We would encourage all our Year 4 pupils to take part in this important learning. Please complete and return the consent slip, and pay a contribution of £2.00 by Parentpay by 28th November.
