Out of school time on our playgrounds

We have noticed that there are an increasing number of children who are riding bikes and scooters on the playground as well as playing on the Trim Trail equipment before and after school. These are the busiest times of the day with regards to the number of people we have on site with close to 200 people. Following a number of near misses and to prevent any potential injuries, we ask that you ensure your child does not ride their bike or scooter on the school playground (walking with them is fine) nor play on the Trim Trail equipment. If a child is seen doing any of the aforementioned, they may be challenged by a member of staff. Should you have any queries about this, please get in touch with the school.
